1. CALL TO ORDER

At 5:00pm, Mayor James F. Smith called the Meeting to Order

2. Meeting on Storm Water Study Draft

The council discussed road conditions and run off areas. The concerns of costs to get areas fixed. The use of employees or contractors to do the work. Concerns about manpower to get jobs done if by the employees. The need to restore the roads and existing stormwater areas so they function the right way. There might be Grants to get the storm water run offs fixed. Get the water to a point where the water can be used, like the fire department.

3. ADOPTION OF THE AGENDA
